1. The following is an examiner's statement of reasons for allowance:

the art of record fails to teach or suggest, in a box having a lid and containing a transmitter and an antenna for transmitting a wireless signal, used in combination with a receiver which provides an annunciation in response to a received wireless signal, a method of using the annunciation(s) to ensure the operativeness of the transmitter with respect to the receiver, comprising the steps of closing the lid; transmitting a wireless signal from the box; noting the absence of an annunciation; and one of (i) repositioning the box relative to the receiver; (ii) replacing the battery; or (iii) replacing the box.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
